**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner located in San Francisco.

Competition is necessary for growth in any industry, including broadband. If we do not allow for competitors, then we will become complacent and, in this case, accepting of old technology.

Sonic is popular because their system is efficient and reliable. They should be able to grow as much as possible because of their successes in this arena.

I 100% support Sonic's endeavor. I am a happy customer.

Thank you!
